WHY WE STEP UP

Shoes4School began in 2017, inspired by Bishop Quincy Griffin Sr.'s vision of providing new shoes to families in need during the back-to-school season. **Now in its ninth year**, the initiative continues to support thousands of families with an impact that continues to grow.

- ▶ PROVIDED 30,000 PAIRS OF SHOES
- ▶ SUPPORTED 33 LEON COUNTY SCHOOLS
- ▶ MOBILIZED 800+ VOLUNTEERS

Totals represent impact since inception

I am a single mom with four children – two in middle school and two in elementary school. My annual salary is less than \$50,000 a year and back to school time always gives me anxiety. Before Shoes4School, buying my children's shoes was always a struggle, but now that this event has started, I don't have to stress about purchasing my children's shoes anymore. It's a blessing to be able to look to an organization for such a necessity in all the expenses for back to school time."

IN THEIR OWN WORDS

*Avg. pair of shoes cost \$50/pair

I was always ashamed of the shoes I had to wear because my parents couldn't afford to buy quality shoes. I always wore hand-me-downs. But with Shoes4School I was able to get my first pair of brand new shoes. Not only did I not have to worry about getting teased, but I also felt the gratification of putting on shoes that belonged to me. ”
